OUTSIDE

On approach, the property is situated on the corner of Station Road and Chapel Lane. Benefiting from a 0.3 acre plot, the property can easily be identified by the bespoke Lychgate to the front of the boundary. The property can also be accessed from the rear, off Chapel Lane, via an electric double gated entry leading to the detached quadruple sized garage.

The frontage features spacious laid to lawn gardens with a pathway leading to the front entry, with slate pebble border. The mature hedgerows surrounding the boundary provide a good degree of privacy. To the side is a secure gated entry leading to the rear. The landscaped rear garden features an Indian stone, entertaining paved patio area leading to a garden which is laid to lawn. The wrought iron fencing provides a useful pet friendly enclosure. Circulating the large detached garage is a blocked paved driveway and surrounding gardens with mature hedgerows and shrubbery. The garden faces directly south, providing ample natural light.

GARAGE

The detached garage is separated into two parts. The first of which is accessed from the rear of the property, via electric double gates (measuring 17'2" x 18'). Internal access leads to a further double garage with two electric roller doors to the side elevation (measuring 23' 9" x 18') fronting onto the spacious driveway. There is ample storage, overhead space and power.
