Accommodation

Ground Floor

Upon entering, the ground floor accommodation opens into a welcoming hallway with spotlighting, a central heating radiator, and stairs rising to the first floor. Doors from the hallway lead to various rooms, including a study, cloakroom, kitchen, and spacious lounge-diner. The lounge-diner features a gas fire with an Adams-style surround and granite hearth, two central heating radiators, and a double-glazed window to the front. Double-glazed French doors open onto the garden, filling the space with natural light and providing ample room for seating and dining. A door from the lounge-diner leads through to the kitchen, which offers a selection of matching wall and base units, a roll-edge work surface, and a one-and-a-half bowl sink with a mixer tap and drainer. The kitchen provides space for a dishwasher, washing machine, tumble dryer, cooker, and fridge-freezer, along with a built-in pantry cupboard. A double-glazed window overlooks the rear garden, and there is also a side access door. The ground floor is completed by a versatile study, currently used as a snug, with a central heating radiator and a double-glazed window to the front, and a cloakroom with a low-level WC, wash basin with individual hot and cold taps, radiator, and a double-glazed window to the side. This thoughtfully designed layout ensures a comfortable and functional ground floor living space.

First Floor

Ascending from the entrance hallway, the first floor landing provides access to the loft and doors leading to four bedrooms and a family bathroom. The master bedroom features fitted wardrobes, a central heating radiator, and a double-glazed window to the front elevation. The family bathroom includes a four-piece suite comprising a bath with mixer tap and handheld shower attachment, a low-level WC, a wash basin with mixer tap, and a shower cubicle with an electric shower. The bathroom is fully tiled and has a radiator along with a double-glazed window to the rear elevation. The second bedroom benefits from a built-in storage cupboard, a central heating radiator, a double-glazed window to the front, and recessed spotlighting. The third bedroom has a double-glazed window to the rear elevation and a central heating radiator, while the fourth bedroom includes a central heating radiator and a double-glazed window to the rear elevation. This floor provides well-proportioned and comfortable bedrooms for family living.

Outside

Outside, the front elevation of the property features a driveway providing parking for multiple vehicles, leading to the garage and front entrance door. To the rear, a low-maintenance garden includes an astroturf lawn and a resin patio with a dedicated seating area, perfect for entertaining and relaxation.
