

Situated within a popular village location this detached property offers a blend of style and convenience with easy access to local amenities and transport links. Inside, the home features a beautifully designed kitchen-diner, perfect for both everyday meals and entertaining, along with a spacious and inviting living room. Upstairs, three well-proportioned bedrooms provide comfortable accommodation, with the master bedroom benefiting from a private en-suite. Outside, the property boasts an enclosed rear garden, ideal for relaxation and outdoor activities, as well as a driveway that provides convenient off-road parking.

Ground Floor

The ground floor accommodation begins with a welcoming entrance hallway, accessed via a composite front door, featuring a central heating radiator and providing access to the living room, kitchen-diner, WC cloaks, and stairs rising to the first floor. The kitchen-diner is fitted with a stylish range of matching wall and base units complemented by a straight-edge preparation work surface. It includes a 5-ring gas hob with electric extractor above, a one and a half bowl stainless steel sink with mixer tap and drainer, integrated dishwasher, double electric oven, and an integrated fridge-freezer. For added convenience, a built-in utility cupboard is also available. Natural light fills the room from both a double-glazed window to the front elevation and double-glazed French doors that open onto the garden. Adjacent, the living room offers a spacious and airy retreat, benefitting from dual aspect windows to the front and side, along with French doors that lead out to the garden, creating a perfect blend of indoor and outdoor living.

The WC cloaks features a low-level WC, wash-hand basin with mixer tap, tiled splash back, and a central heating radiator.

First Floor

Ascending to the first floor, the landing, with a double-glazed window to the rear elevation, includes a built-in storage cupboard, a loft hatch, and a central heating radiator. The master bedroom offers a built-in wardrobe, a double-glazed window to the front elevation, and a central heating radiator, along with access to an en-suite shower room. The en-suite is complete with a double-shower cubicle and electric shower, a heated ladder towel rail, low-level WC, wash-hand basin with mixer tap, and partially tiled walls, with a double-glazed opaque window to the rear elevation.

timber fencing, the garden ensures a sense of privacy and a secure environment for relaxation and outdoor activities.

The second bedroom features a built-in wardrobe with sliding mirror doors, a double-glazed window to the rear, and a central heating radiator. The third bedroom, benefiting from dual aspect double-glazed windows to the front and side, also includes a central heating radiator. Completing the first floor is the family bathroom, offering a three-piece suite comprising a low-level WC, wash-hand basin with mixer tap, and bath with mixer tap and handset over. The room is finished with partially tiled walls, a heated ladder towel rail, and a double-glazed window to the rear elevation.

Outside

The property's exterior is thoughtfully designed to offer both curb appeal and functionality. To the front, a charming fore garden with a well-kept lawn creates a welcoming approach, with a pathway leading to the main entrance. To the side, a driveway provides convenient parking for two vehicles, with an additional pathway leading to a pedestrian gate that opens into the rear garden. The rear garden is predominantly laid to lawn, providing an open, green space, while a patio area offers an inviting spot for seating and entertaining. Enclosed by
