

This well-presented four-bedroom detached property is situated on a sought-after residential road and offers a garage with a driveway providing off-street parking. The accommodation includes a versatile ground-floor bedroom and three generously sized double bedrooms on the first floor, with the master benefitting from an en-suite. To the rear of the property, there is a large, extended open-plan kitchen-diner, perfect for modern family living, which opens onto a spacious garden ideal for outdoor enjoyment.

Accommodation

Ground Floor

The property is entered via a front entrance door into a welcoming hallway with stylish parquet flooring, stairs rising to the first floor, and doors leading to the living room, a ground-floor bedroom, and the extended kitchen diner. To the left, the living room is a bright and inviting space, also featuring parquet flooring, two central heating radiators, two double-glazed windows to the front elevation, and a fireplace as a focal point.

Straight ahead from the hallway, the ground-floor bedroom offers versatility and includes a central heating radiator, a double-glazed window to the rear elevation, and a door leading to a convenient en suite wet room. The wet room is fitted with a low-level WC, a wash hand basin with mixer tap, a heated ladder towel rail, a shower with handset over tiled walls, and a double-glazed window to the side elevation.

To the right of the hallway, a door leads into the impressive extended kitchen diner. This modern and spacious area is equipped with a selection of matching wall and base units with granite preparation surfaces, an island with additional cupboard storage and a granite worktop, and two central heating radiators. Natural light floods the space through double-glazed windows to the side and rear elevations, a skylight, and recessed spotlighting. The kitchen area includes space for a fridge freezer, an integrated microwave, space for a cooker, and a sink with a mixer tap. Double-glazed French doors open out onto the rear garden,

seamlessly connecting indoor and outdoor spaces.

First Floor

Stairs ascend from the entrance hallway to the first-floor landing, which includes a loft hatch and doors to all upper-floor rooms. The master bedroom is a generously proportioned space with double-glazed windows to the rear elevation, ample room for a double bed, a built-in storage cupboard, and a loft hatch. A door leads to the en suite shower room, which comprises a three-piece suite including a low-level WC, a wash hand basin with mixer

tap, a heated ladder towel rail, and a double shower cubicle with a sliding glass door and a gravity-fed shower.

The family bathroom is well-appointed, featuring a three-piece suite with a low-level WC, a wash hand basin with mixer tap and a vanity unit below, a bath with a mixer tap and handset over, a heated ladder towel rail, fully tiled walls, and a double-glazed window to the rear elevation.

Also on the first floor are two additional double bedrooms. Each room benefits from a central heating radiator and a double-glazed window to the front elevation, offering ample natural light and a comfortable living space.

Outside

To the front elevation, the property benefits from a driveway providing off-street parking, alongside an adjacent garage. Steps lead up to the main entrance, while a pathway provides convenient access to the rear garden. The rear garden is thoughtfully designed, featuring a spacious patio area ideal for outdoor seating and entertaining. Beyond the patio lies a generous lawned garden, enclosed by a combination of low hedgerow and timber fencing, offering both privacy and charm.
