

This well-presented three-bedroom townhouse offers spacious and versatile living accommodation across three floors, making it an excellent choice for a variety of buyers. The property features a generously sized living room, a well-appointed kitchen-diner, and three well-proportioned bedrooms. Outside, the enclosed rear garden provides a private outdoor space, while the convenience of both a carport and a garage ensures ample parking. Situated in a sought-after location, the home benefits from excellent transport links and easy access to a range of local amenities, making it a practical and appealing option for modern living.

Accommodation

The accommodation is arranged over three floors, offering well-proportioned and versatile living space. Entering through the front door, the entrance hallway provides access to a utility room, a downstairs WC, and stairs rising to the first floor. The WC cloaks includes a low-level WC, wash hand basin, and central heating radiator. The utility room features a selection of base units, a sink with a mixer tap and drainer, space for a washing machine, a wall-mounted boiler, and a rear door leading to the garden. A double-glazed window to the side elevation allows natural light into the hallway.

On the first floor, the landing benefits from a double-glazed window to the front elevation and a central heating radiator. The spacious living room offers flexibility as a lounge-diner and features two central heating radiators and a set of double-glazed French doors opening onto a Juliet balcony. The well-appointed kitchen-diner is fitted with matching wall and base units, under-counter drawer units, a roll-edge preparation worktop, an electric oven, a gas hob with an extractor over, and a sink with a mixer tap and drainer. A double-glazed window to the front elevation enhances the natural light, while a central heating radiator ensures year-round comfort. Stairs rise from the landing to the second floor.

The second floor hosts three well-proportioned double bedrooms. The third bedroom includes a built-in wardrobe, a double-glazed window to the rear elevation, and a central heating radiator. The second bedroom also benefits from a double-glazed

window to the rear elevation and a central heating radiator. The family bathroom is fitted with a modern four-piece suite, comprising a bath, separate shower cubicle with a gravity shower over, wash hand basin, low-level WC, and partially tiled walls, complemented by a central heating radiator.

The master bedroom is a generously sized double room with a built-in wardrobe, a central heating radiator, and a double-glazed window to the front elevation. It also benefits from an en-suite shower room, which includes a

three-piece suite with a shower cubicle featuring a gravity shower and tiled splashbacks, a wash hand basin with mixer tap and vanity unit below, a low-level WC, and a double-glazed window to the front elevation.
