

Abode are thrilled to present this beautifully renovated Grade II listed cottage, offering breathtaking countryside views to the rear and exciting potential for further development. The property includes an attached stable, which could be converted into additional living space, subject to the necessary permissions.

The current owners have made significant improvements to the property, carefully preserving its charming, characterful features. Located in the sought-after village of Ipstones, this home benefits from a strong community atmosphere, with scenic countryside walks, local shops, schools, and several pubs nearby. It's also just a short drive from the towns of Cheadle and Leek.
