

This impressive bespoke detached family home is situated in a highly regarded residential location within the village of Draycott in the Clay. Occupying a generous plot with fabulous open countryside views to the rear, this individual property offers sizeable proportions and high-quality construction. While the home is in need of some cosmetic upgrading and improvement, it represents an outstanding opportunity to create a premier residence tailored to a buyer's specific tastes.

The ground floor opens with a magnificent entrance hall leading to a versatile arrangement of living spaces. This includes a through-sitting room featuring a dressed brick chimney breast with an inset multi-fuel burner, a separate formal dining room, and a flexible study which could easily serve as a fifth bedroom. The heart of the home is the open-plan breakfast kitchen, fully equipped with integrated AEG appliances, which flows seamlessly into a bright conservatory with garden access. A guest cloakroom and internal access to the double garage complete the lower level.

Upstairs, a large and airy landing leads to four well-proportioned double bedrooms, most of which benefit from built-in wardrobes. The expansive master suite features its own en-suite shower room, while the remaining bedrooms are served by a modern family bathroom featuring both a panelled bath and a separate quadrant shower.

The exterior is equally impressive, featuring a sweeping block-paved driveway that provides extensive parking and leads to an attached double garage with twin electric roller doors. The rear of the property boasts a completely walled, landscaped garden that backs directly onto open fields, offering a private and picturesque backdrop for outdoor entertaining on the large patio and lawned areas.

Hallway

Accessed via a uPVC double-glazed front door with matching side windows to the front elevation, this welcoming hallway features a central heating radiator, a useful under-stairs storage cupboard, and a staircase rising to the first-floor landing. Internal doors lead to:
