

Occupying an enviable position within a quiet cul-de-sac, this beautifully presented modern detached home offers an exceptional combination of space, practicality and contemporary living. Unlike many comparable new-build properties, the home benefits from three genuine double bedrooms, a generous rear garden and a double-width driveway providing ample off-road parking.

The property has been thoughtfully designed to suit modern family lifestyles, with a superb open-plan living, dining and kitchen area forming the heart of the home. French doors open directly onto the rear garden, creating a seamless connection between indoor and outdoor living and making it an ideal space for entertaining and family gatherings.

The accommodation briefly comprises a welcoming entrance hallway, cloakroom/WC, and a spacious open-plan living dining kitchen fitted with a range of modern units and integrated appliances. To the first floor, the generous principal bedroom benefits from fitted wardrobes and an en-suite shower room, while two further well-proportioned double bedrooms are served by a contemporary family bathroom.

Externally, the property continues to impress. The double-width driveway provides excellent off-road parking and leads to the garage, which benefits from power, lighting and useful storage space. To the rear, the spacious enclosed garden offers a larger-than-average outdoor space for a modern development, providing plenty of room for children to play, outdoor entertaining or future landscaping opportunities.

Combining the advantages of a modern build with features that are becoming increasingly difficult to find, including larger bedrooms, ample parking and a generous garden, this outstanding home is perfectly suited to growing families, professional couples and downsizers alike.

Hallway

Entered via a composite front door, the welcoming hallway features a staircase rising to the first-floor landing, central heating radiator, smoke alarm, electrical consumer unit, and doors leading to:
