Hallway

A composite front entrance door opens into the welcoming hallway, which features a central heating radiator, smoke alarm, thermostat and doorbell chime. There is also a useful under-stairs storage cupboard, housing the electrical consumer unit. An internal door provides access to the:

Cloakroom

Featuring a UPVC double-glazed frosted window to the front elevation, low-level WC with continental flush, pedestal wash hand basin with mixer tap and tiled splashback. There is also a central heating radiator and extractor fan.

Lounge

A well-proportioned reception room with a set of UPVC double-glazed French doors opening onto the rear patio, complemented by adjoining UPVC double-glazed window units. The staircase rises to the first-floor landing, and the room benefits from two central heating radiators, TV aerial point and telephone point.

Kitchen

The kitchen features a UPVC double-glazed window to the front elevation and a range of matching base and eye-level storage cupboards and drawers, incorporating wood-block-effect roll-top preparation surfaces. Integrated appliances include a one-and-a-half bowl stainless steel sink and drainer with mixer tap, four-ring stainless steel gas hob and matching extractor hood. There is also space and plumbing for freestanding under-counter appliances. A central heating combination gas boiler and smoke alarm are also present.

Landing

The first-floor landing provides access to the loft via a loft hatch and features a smoke alarm and central heating radiator. Doors lead to both bedrooms and the family bathroom.

Bedroom One

A well-proportioned double bedroom featuring two UPVC double-glazed windows overlooking the rear elevation, a central heating radiator and useful over-stairs storage cupboard.

Bedroom Two

Featuring a UPVC double-glazed window to the front elevation and central heating radiator.

Bathroom

A three-piece family bathroom with a UPVC double-glazed frosted window to the front elevation. The suite comprises a low-level WC, wash hand basin with mixer tap and tiled splashback, and bath with mixer tap and glazed shower screen. Complementary wall tiling, central heating radiator, shaving point and extractor fan complete the accommodation.
