

This attractive two-bedroom property offers well-proportioned accommodation arranged over two floors, combining traditional reception space with a modern and practical kitchen. Available with no chain and vacant possession.

The ground floor comprises a welcoming lounge with bay window, separate dining room with useful storage and a well-equipped kitchen featuring a vaulted ceiling, Velux windows and direct access to the rear patio.

To the first floor are two comfortable bedrooms, together with a family bathroom and access to the loft space.

The property benefits from a practical layout, generous natural light and useful storage, making it an appealing choice for first-time buyers, couples, downsizers or investors. The combination of separate living and dining accommodation, a spacious kitchen and two well-proportioned bedrooms provides a versatile home with excellent potential.

Lounge

Accessed via a composite front entrance door, the lounge provides a welcoming reception space featuring a UPVC double-glazed bay window to the front elevation, allowing an abundance of natural light into the room. Further benefits include a central heating radiator, smoke alarm and ceiling spotlighting. An internal door leads through to the dining room.

Dining Room

A well-proportioned dining room featuring a UPVC double-glazed window to the rear elevation and central heating radiator. The room also benefits from a useful storage cupboard, which houses the electrical consumer unit.

Kitchen

The kitchen is fitted with a range of matching wall and base-level storage cupboards and drawers, complemented by wood-block-effect preparation work surfaces.

The room benefits from a UPVC double-glazed window to the side elevation and a UPVC double-glazed door providing access to the rear patio. Features include a stainless-steel sink and drainer with mixer tap, stainless-steel extractor hood and plumbing and space for freestanding under-counter white goods.

Further benefits include a central heating radiator, vaulted ceiling with spotlighting, carbon monoxide detector and two Velux windows, providing additional natural light from above.

Landing

The first-floor landing benefits from a smoke alarm, access to the loft space via a loft hatch and central heating radiator. Internal doors provide access to both bedrooms and the family bathroom.

Bedroom One

A well-proportioned principal bedroom featuring two UPVC double-glazed windows to the front elevation, providing excellent natural light, together with a central heating radiator.

Bedroom Two

A comfortable second bedroom featuring a UPVC double-glazed window overlooking the rear elevation and central heating radiator.

Bathroom

The bathroom is fitted with a three-piece suite comprising a low-level WC, wash hand basin with mixer tap and bath with electric shower over.

The room benefits from tiled wall coverings, extractor fan, ceiling spotlighting and a chrome heated towel radiator.
