

An impressive and substantially extended four-bedroom semi-detached family home, offering generous living accommodation, extensive off-road parking and a sizeable detached outbuilding. It benefits from under floor heating as well as a car port on the side of the property with access to the back. 3 years ago the property had a new roof, windows, doors, electrics and plumbing.

Accommodation

The property opens into a bright and welcoming entrance hall, finished with contemporary tiled flooring and providing access to two spacious reception rooms. Both offer versatile settings for relaxing, entertaining and spending time as a family.

At the rear is an attractive kitchen and dining room, fitted with sleek handleless cabinetry, generous work surfaces and a range of integrated appliances. French doors open directly onto the rear courtyard, creating a natural connection between the indoor and outdoor entertaining spaces. A separate utility room and stylish ground-floor wet room complete the ground-floor accommodation.

Upstairs are four bedrooms, with fitted wardrobes providing excellent storage to several rooms. The first floor also benefits from well-appointed bath and shower facilities, including en-suite accommodation.

Outside, the extensive block-paved frontage provides parking for multiple vehicles, while access leads to a large, low-maintenance rear courtyard with ample room for outdoor dining and entertaining.

A particularly notable feature is the substantial detached outbuilding, arranged as storage together with an additional versatile room. This space offers excellent potential for use as a workshop, gym, home office, hobby room or additional storage, subject to any necessary permissions.
